XXXXXXXX

The indication that I am being treated for is not printed on the label of the botulinum vial. The treatment has been accepted for a therapeutic indication. I am aware that the outcome is often unpredictable and may not be to my satisfaction.

I have been instructed that the material risks in this procedure includes loss of facial expression, lines and wrinkles, drooping (ptosis) of the mouth, eyebrow and/or eyelid; bruising, pain, headaches, bleeding, tenderness, swelling, redness at injection sites; allergic reactions, infection; numbness, tingling, paralysis or partial paralysis; loss of facial expressions, loss of blood and scarring, disfiguring scars; cardiac arrest, brain damage, death. There may also be other unspecified risks and unknown long-term risks.

I have been informed that I should seek immediate medical attention should I notice the following effects after administration of botulinum toxins: dysphagia (difficulty swallowing), dysphonia (difficult speaking), weakness, dyspnea (difficult breathing). I am aware that these effects may occur early as one day and as late as several weeks after treatment

I realize that during the course of this procedure other conditions may arise or may have to be treated and I hereby consent to any additional procedure or treatment which the healthcare provider deems necessary or appropriate to treat such conditions.

I also understand that treatment may be ineffective or have a limited duration of effect.

I accept all responsibility to pay all legal fees that may arise from any and all frivolous lawsuits that I may initiate against the treating doctor. I understand that all cases will be aggressively defended by the treating doctor.

I understand that I may choose to stop the above procedure at any time.

I have read, understand and agree to all of the above.
